

‘WE LOVE TO MIX DESIGN

Clarer finds out where the Saturdays get all their favourite clothes, who their style idols are, and which bits of their bodies they like to show off - or hide!

VANESSA WHITE, 20

I love...

Zara, Topshop, Reiss, Urban Outfitters or ASOS, which is dangerous – I spend too much online!

The last thing I bought was...

A pink Alexander McQueen scarf with brown skulls. It was about £130 from Selfridges. I spend more on accessories than clothes themselves!

I've got my eye on...

A classic Chanel chain necklace – I don't even know how much it is, but I want it! It would go with everything, although I'd probably be too scared to wear it in case I lost it!

I'd steal...

Kim Kardashian's style – I'm a curvy size 8-10 and I love how she accentuates her curves.

I feel good...

Shopping! I don't have a boyfriend so I find I'm spending a lot more as a single lady.

I like showing off...

Either cleavage or legs – one or the other.

I like wearing...

High heels because I'm only 5ft 1½. I'd look ridiculous next to Rochelle, who's 5ft 7½, if I didn't!

FRANKIE SANDFORD, 21

I love...

Topshop and Reiss, because they're high street but you can find pieces that look designer. I go off clothes quickly, so spending a fortune is a waste.

The last thing I bought was...

A pair of ankle boots from Kurt Geiger to go with my favourite new J Brand jeggings.

I've got my eye on...

A classic Mulberry bag, in camel.

I'd steal...

Victoria Beckham's style – she looks so groomed and polished and always gets it right.

I feel good...

Wearing bodycon dresses that flatter my figure. I'm a size 6-8 and I'm happy with my shape.

I like showing off...

My back – and I'm getting more confident showing off my legs too. I used to be self-conscious!

I like wearing...

Jeans tucked into boots, or shorts with a T-shirt and jacket. My boyfriend Dougie [McFly bassist Dougie Poynter] compliments me more when I'm casual!

ER WITH HIGH STREET'

MOLLIE KING, 23

I love...

The high street – especially Urban Outfitters, Zara and New Look for shoes. Just because we're pop stars, it doesn't mean we dress top to toe in designer. Although I do invest in designer bags.

The last thing I bought was...

A pair of khaki suede Topshop shorts for £60.

I've got my eye on...

A grey clutch bag that I saw in Prada. It was about £400 and I may need to treat myself. It's perfect!

I'd steal...

Olivia Palermo's style – she always looks great.

I feel good...

In clothes that nip me in at the waist. I'm a size 6-8, but I'm quite straight up and down. The girls tease me for belting everything I wear!

I like showing off...

My legs. I don't really have a cleavage.

I like wearing...

High-waisted trousers. Even though my boyfriend Andy [singer Andy Brown] says they're really unsexy!

ROCHELLE WISEMAN, 21

I love...

Reiss, All Saints, Zara and Urban Outfitters for clothes. Louboutin and Gina for shoes. If I definitely know my size I'll shop on their website too – I hate trying things on in shops.

The last thing I bought was...

A pair of Louboutin ankle boots. They were £900 and I felt so guilty I felt I had to justify it to my boyfriend, Marvin [JLS' Marvin Humes]. But he was fine about it – he has more clothes than me!

I've got my eye on...

Killer heels in general. They have to be high!

I'd steal...

Beyoncé's style – any curvy celeb's style really.

I feel good...

In clothes that flatter my curves. I'm a size 8-10 and I'd hate to be thinner. It's good to be womanly!

I like showing off...

My hourglass figure. I follow fashion, but I avoid baggy clothes in favour of fitted pieces.

I like wearing...

Designer shoes but I don't buy expensive bags after I ruined a £1,600 Prada one with perfume!

UNA HEALY, 29

I love...

Forever Unique because they do such great designer imitations. I get lots of my clothes from there. I also love Diesel, Miss Sixty and ASOS.

The last thing I bought was...

Some Cavalli biker boots. Actually my boyfriend Ben [rugby player Ben Foden] got them for me!

I've got my eye on...

A little Chanel bag, but it's around £1,000.

I'd steal...

Nicole Richie's style – I love her boho look.

I feel good...

Hiding my tummy! I've put on a bit of weight and it's gone straight on my boobs and tummy. I'm still only a size 8-10 so I'm not too bothered!

I like showing off...

My back. A backless dress allows for an "over the shoulder" pose for the cameras. It makes me feel sexy and confident.

I like wearing...

Dresses with thick tights and boots so you don't have to worry about your legs.

MOLLIE: 'I'M A BAG LADY!'

“ My biggest splurge was my grey Balenciaga bag, which I bought after two years in the band. It cost around £1,200 and I nearly had a heart attack when I paid for it. But I'd saved up for two years and wanted to treat myself. I love it and use it all the time. I usually go for neutral colour bags like whites, greys and nudes because they go with everything. My huge white Mulberry fits so much in and is great when I travel as I can fit my laptop in it too. My smaller white Mulberry was £400 in a sample sale. I bought two others for my sisters, but they didn't like them so I sold one to Rochelle!

UNA: 'I LOVE DRESSING UP!'

“Dresses are just so easy to wear – I love floaty maxis in the summer and shorter, more fitted ones for winter. They’re great for throwing on with tights and boots. I love my red BCBG dress [above] which was lent to me to wear for *The Late Late Show* in Dublin. I have it in black too. The flowery one on the rail is nice and summery and boho – it was really cheap and from online store, www.owntherunway.co.uk. And I love my white beaded dress from Forever Unique – I’ve worn it loads and you can tell as there’s fake tan all over it! My sequin dress is one I bought for my birthday last month. It was from a boutique called Lara, in Dublin. Quite a colourful choice for me – and backless, which I liked.

Una loves her Forever Unique frock!

VANESSA: 'I LOVE STATEMENT JEWELLERY'

I wear golds and silvers more than colour. I like layering up bracelets and wearing big hoop earrings. I buy the odd designer piece from Pandora, Matthew Williamson and I love Chanel, but I also mix these up with Topshop pieces. Freedom at Topshop is great for affordable on-trend jewellery.

Sometimes I like to just wear a statement ring – my favourite is my £15 black star one from Gypsy & Pearl – it's cute and looks great day or night. A bargain!

ROCHELLE: 'I'M THE HIGH HEEL QUEEN!'

I love heels – even though I'm 5ft 7½. I'm so used to dancing in them, they don't even hurt! My favourites are my Gina Clair shoes, which were £450. I've got them in red, black and snakeskin. I love my Giuseppe Zanotti boots too [worn in main pic], which Rihanna had made for her. I saw them and contacted the designer to get a pair! My biggest splurge was my new Louboutin ankle boots. They are black suede and cost over £900, but they are perfect for wearing this winter – and next I hope!

FRANKIE: 'MY MUST-HAVE JACKETS!'

Frankie's favourite
 Topshop denim jacket

Nothing beats a jacket to finish off a look. Denim always looks great and leather can give a really funky biker look. I prefer casual styles to anything glitzy as I'm not really a sequin, sparkly person. I own around 30 jackets. Most are from the high street, but I am after a new little leather one, which I'd be prepared to splurge on because it would go with loads. My bargain buy was a fake leather jacket I spotted in H&M for only £20. For winter I'm going to try out capes. This one's from Reiss but I've not worn it out yet – it's a new look for me!
